COST OF LIFE (COST DE VIDA)

Starring Julio Manrique, Anna Sahun, Pau Roca and Katrin Vancova

Author: Martyna Mahjong.

Director: Pau Carrió

Eddie, an unemployed truck driver and his ex-wife Ani are reunited in an unexpected way after a terrible accident has left Ani quadriplegic.

Jess, a university graduate and multi-employed girl that comes from a family of immigrants feels desperate when she applies for a job offer as a caregiver for John, a brilliant university researcher who suffers from cerebral palsy. As these four very different lives collide and intertwine, each of the roles are exchanged and reversed to expose the complexity around taking care of others and letting yourself be taken care of. Who helps whom?

This exquisitely original, honest and funny new piece by Martyna Majok explores our need to connect and to be loved despite our differences

THE MAGIC LAMP

Festuc Teatre

With Íngrid Teixidó and Pere Pàmpols

Have you ever dreamed of finding a magical lamp with a genie inside capable of granting you three wishes? Have you ever thought about what wishes you would ask for? The following story is about a girl and her will to fulfill her only wish: that her mother is cured of the disease she suffers. A wish that cannot be made as the genie can only grant wishes to the person who found the lamp. The miraculous genius is able to grant wealth, beauty, power or fame. However, the girl does not long for any of these things, and that's how this story will make us question whether the lamp really makes things better. The magic lamp is a theater show with puppets and actors that tells us about desires, acceptance and love that makes us capable of overcoming all difficulties.

Choreography: Jana Torres and Paula Casillanis

Singing: Xènia Torres and Júlia Sunyer

ATSOC this year offers us this great musical show that will raise money in benefit of La Marató de TV3.

... SISTER *act*

Sister Act is a musical written by Cherie Steinkellner and Bill Steinkellner, with material added to the booklet by Bill and Cherie Steinkellner; with lyrics by Glenn Slater and music by Alan Menken. It is based on the 1992 film of the same name starring Whoopi Goldberg.

The musical tells the story of Deloris Van Cartier, a young diva-apprentice singer whose life takes an unexpected turn when she witnesses a murder. She turns for help to a policeman who will protect her from the killers hiding her in the last place where she would have wanted to go... A convent! Rebel and non-conformist, Deloris converts into one more of the sisters and she shakes up the quiet life of the religious community. Little by little she will manage to win the admiration and esteem of her fellow sisters. But, will this be enough to free Deloris of her past?

A dramatic comedy full of conspiracy theories, secrets and lies.

A group of friends prepares "an intervention" to bring common sense back to a friend who

has been carried away by conspiracy theories for a long time... She believes that the earth is flat. But saying everything they think about her will not be a smooth process. The meeting will bring out discomforts and secrets kept by members of this lifelong group of friends.

FREDERICK

Teatre al detall

With Xavi Idàñez and Txell Botey

Written by Jordi Palet inspired in the story
by Leo Lionni

Director: Toti Toronell

Frederick explains the value
of art, of poetry...

Winter is coming and we collect provisions early to enter the den. Every year we do the same, but last year was special because Frederick, a mouse who collects provisions in an unusual way, got inside the den. This year you came to the den expecting to find Frederick.

But it doesn't seem to be there... Where has it gone?

60 years ago Leo Lionni wrote Frederick. He did it as a reply to the story of the crayfish and the ant to dignify the work of poets (and musicians and painters and creators... artists). Not so long ago, a pandemic locked each one of us in its lair and luckily, we had "Fredericks" that made us see the world a little differently.

The cold is coming... Do you want to spend the winter in our den and meet Frederick?

TICKETS 5€ and free for children under 3, unless they occupy a seat.

TICKET SALE at www.entrapolis.com and Sala Mozart's box office on Wednesday 21 February from 17.00 to 19.00 pm.
